

LOUISIANA STATE UNIVERSITY STATE OF TENNESSEE LICENSE PLATE

Would you consider purchasing an LSU license plate for your automobile?

In May 2006, the Music City Chapter - LSU Alumni Association began a drive to establish an LSU State of Tennessee License plate. To accomplish this goal we will need a combined order of 1,000 plates at \$35.00 for each plate requested.

You will be invoiced in May 2009 for the \$35 payment and have a few weeks to pay your bill and if everyone pays then we will have a plate! Just fill the form out today and mail it in or email it to liz.hartzog@gmail.com

We've all seen the Auburn, Alabama and even Ole Miss; I know we can do better than those guys! Let's push really hard to get the word out and make this campaign a success. This campaign will continue through June 1, 2009 or as soon as we reach our goal of 1,000 paid.
